

August 19th - 21st, 2015, Whistler, BC, Canada

Notes for Speakers

Please be present in the session room at least 15 minutes before the start of your session and meet with the session moderator.

A typical technical session will be running for 90 minutes and will include 5 presentations. A general presentation is 15 minutes long, typically 12 minutes for presentation and 3 minutes for questions and answers.

- All presentations will be run on the computer and projection system available at the venue. This will be Power Point presentations only.
- Please note, overhead transparent projectors and photographic slide projection systems will not be available at the venue.
- Please bring your presentation on a USB memory stick.
- Copy your presentation file onto the provided laptop before the session begins. There will be assistance available from the staff member present in the room.
- Due to time constraints, we would like to notify you that your personal laptop cannot be connected to the presentation system available at the venue.
